

**Andrea “Andi” Rodriguez, Centro San Antonio - Vice President of Cultural Placemaking**

Andi is a long-time urban champion and committed to initiatives that breathe new life into downtown. Since its inception in 2020, Andi has led Centro’s Art Everywhere Project installing over 150 visual art works by local artists. She believes in the power of public art which share our stories, create vibrancy and connection and reshape our built environment.

Serving on the Leadership Council of Urban Land Institute, Andi is a former city Planning Commissioner, American Institute of Architects Board Member, Founding Chair of the Hemisfair Conservancy, Co-founder of Power of Preservation/PROM, Co-founder of the Downtown Neighborhood Association, former Chair of the Mayor’s Commission on the Status of Women and past Chair of Leadership San Antonio 44. Andi is a servant leader, with an MS in Architecture/Urban Planning, art curatorial studies and advocates for the unifying power of art, historic preservation and public space.
